Inspired Tough, Built Tough

Inspired by Real-World Challenges

Farmtrek UTVs are designed with the toughest tasks in mind. We draw inspiration from the real-world challenges faced by our users, ensuring our vehicles meet the demands of farming, hunting and outdoor adventures.

Built for Unmatched Durability

Every Farmtrek UTV is crafted with high-grade materials and advanced engineering, built to endure harsh conditions and heavy use. Our commitment to durability ensures your UTV stands strong, no matter the challenge.

Tested Beyond Limits

Farmtrek UTVs undergo rigorous testing to ensure they can withstand the toughest environments. We push our vehicles to the limit so that you can rely on them in any situation.

Built to Last

With Farmtrek, you're investing in a UTV designed for long-lasting performance and minimal maintenance. Our vehicles are built to be dependable, giving you peace of mind on every job.

Servicing

At Farmtrek, we're committed to keeping your UTV running at peak performance. Our comprehensive servicing and support ensures that your vehicle is always ready for the job, no matter the terrain or conditions.

Expert Maintenance

Our certified technicians provide expert maintenance using genuine Farmtrek parts, ensuring your UTV stays in peak condition and ready for any challenge.

18 Month Service Interval

We offer an 18-month, 150-hour service plan, ensuring reliable performance and peace of mind for your UTV investment.

Scheduled Service Plans

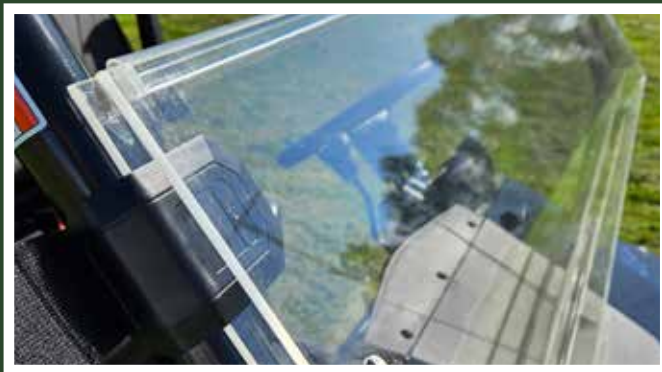

Tailored service plans include regular maintenance and priority support, ensuring your UTV is always well-maintained and ready for work.

Genuine Farmtrek Parts

We use only genuine Farmtrek parts for repairs, guaranteeing original quality and long-lasting performance for your UTV.

On-Site Repairs

Our mobile service units provide on-site repairs, saving you time and getting your UTV back to work faster.

Warranty

At Farmtrek, we stand by the quality of our UTVs with a 12 month standard warranty, ensuring your vehicle is protected from manufacturing defects and issues. For those seeking additional peace of mind, we offer an optional extended warranty that covers your UTV for up to four years. This extended warranty provides comprehensive protection, so you can focus on getting the job done without worry. Please note that conditions apply, and it is important to review the full warranty details on our website to ensure your UTV remains covered under our warranty program.
